Beyond Fantasy Fiction was a US fantasy fiction magazine edited by H. L. Gold, with only ten issues published from 1953 to 1955. The last two issues carried the cover title of Beyond Fiction, but the publication's name for copyright purposes remained as before. Although not a commercial success, it included several short stories by authors such as Isaac Asimov, Ray Bradbury and Philip K. Dick. The publication has been described by critics as a successor to the tradition of Unknown ...

Hollywood wunderkind J.J. Abrams' television drama "Revolution" imagined Earth after electricity, without explanation, abruptly died. Reading Quentin Meillassoux's Science Fiction and Extro-Science Fiction, one wonders whether Abrams was familiar with the obscure French fiction that buttresses the book's thesis, Rene Barjavel's 1943 science-fiction novel Ravage.

Abstract. Focusing on Butler's Kindred and short stories, Humann asks us to think of Butler as more than a science fiction writer. While Butler's accolades for her contributions to the genre of science fiction are well deserved, Humann contends that Butler's tendency to hybridize genres, and hybridize differently in different texts is what sets Butler's fiction apart from traditional ...

Beyond Science Fiction began in January of 1996. I had a rather intense dream from the Lord that directed my attention toward understanding a Biblical perspective on UFOs and Aliens. This was not a new idea for me as I held a life long fascination about UFOs. In the late 50's and early 60's I must have read just about every book on the subject.
