Biochemistry Jeremy M. Berg , John L. Tymoczko , Gregory J. Gatto Jr. , Lubert Stryer For four decades, this extraordinary textbook played a pivotal role in the way biochemistry is taught, offering exceptionally clear writing, innovative graphics, coverage of the latest research techniques and advances, and a signature emphasis on physiological and medical relevance.

Biochemistry | Jeremy M. Berg, John L. Tymoczko, Gregory J ...

Kolpashchikov only teaches his biochem class so he can keep his research grants. He seems to detest helping out undergrads, and consistently acts like you are a blight on his existence. He might know his information, but he is a terrible instructor, and also speaks with a thick accent so it is nearly impossible to understand him anyway.
