Encyclopedia Of New Age Beliefs - ME

New Age is applied to a range of spiritual or religious beliefs and practices which rapidly grew in the Western world during the 1970s. Precise scholarly definitions of the New Age differ in their emphasis, largely as a result of its highly eclectic structure. Although analytically often considered to be religious, those involved in it typically prefer the designation of spiritual or Mind ...

New Age - Wikipedia

The New Age, also called the New Age movement is a kind of spiritual belief and way of life held by some westerners.It is not an organized religion.They believe in religious pluralism- that people are free to decide what they believe and how they use it in their lives. They pick and mix what they believe with bits taken from both eastern and western culture and religions.
