India rising: Soft power and the world's largest democracy

With Bollywood and Tikka Masala taking the world by storm, India became more than a far-away curiosity. It became your doctor, your software engineer, your cool Netflix show host. That, along with yoga and Gandhian non-violent movements, India became potentially the greatest soft power after the US and Japan.

The rise and decay of India's soft power

That ability to attract others, persuade and set the agenda, soft power, plays an increasingly important role in international relations and in Indian foreign policy. However, while most of the rediscovered interest in India has been focused on its hard power attributes, such as its military and economy, this book concentrates on less tangible assets, such as its culture, ideas and people.
