Power vs. Force: Hawkins M.D. Ph.D, David R ...

Power Vs. Force by p.108 "On examination we will see that power arises from meaning. It has to do with motive and it has to do with principle. Power is always associated with that which supports the significance of life itself and dignifies- ennobles. Force must always be justified, whereas power requires no justification.

Power vs. Force by David R. Hawkins - Goodreads

It argues that genuine power comes through virtuous living rather than subjugation by force. There is a classification scale of 0-1000 level of consciousness that many teachers and policymakers will resist, in part because many of them will fall low on this scale in today's society, and their counterparts 200 years ago would have probably ranked much higher.

Power vs. Force (Revised Edition): The Hidden Determinants ...

Force is the fundamental result of an interaction between two objects, while power is an expression of energy consumed over time (work), of which force is an element. Force and power can both be described and measured, but a force is an actual physical phenomenon, and power in itself is not.

Courage, which resonates at 200 is the dividing line between Force (vibratory states below 200) and Power (200 and above) generally enables one to move further up the scale, if he or she can keep from falling to a lower level vibration for whatever reason.

power vs force | David M Masters

Power serves others, whereas force is self-serving. Power is a by-product of developing self-confidence. Power is not used for control or domination. Power vs. Force is also expressed in the writings known as the Tao Te Ching.

Power vs. Force by Dr. David R. Hawkins | Audiobook ...

The universe holds its breath as we choose, instant by instant, which pathway to follow; for the universe, the very essence of life itself, is highly conscious. Every act, thought, and choice adds to a permanent mosaic; our decisions ripple through the universe of consciousness to affect the lives of all.- from Power vs. Force

Power Vs Force: The Hidden Determinates of Human Behavior ...

According to Dr. Hawkins, effectiveness of activity from the higher states of consciousness is based on power, the influence of good or leadership. The effectiveness of activity from the lower states of consciousness is based on force. Dr. Hawkins contrasts power vs. force in the areas of politics, the marketplace, and in sports.

Power vs. Force Book Review

Power serves others, whereas force is self-serving. Power is a by-product of developing self-confidence. Power is not used for control or domination. Power vs. Force is also expressed in the writings known as the Tao Te Ching. Power gives life and energy; force takes these away. So I do have a couple of problems with his work.
