I've never in my life been a backpacker or camper, but I'm a long-time walker gearing up for the Camino de Santiago in Spain. I asked an experienced backpacking friend for advice, and he loaned me "The 2 Oz. Backpacker." I figure any book that's still selling 32 years after it came out must have some good advice.

The 2 Oz. Backpacker Quotes by Robert Snyder Wood

The platform was about two foot above the water level and the only way out was a rickety ladder at an angle of over 90 degrees. Everyone else climbed out with all the grace of a swimming pool scene out of a Dolce and Gabanna advert. It took two Vietnamese men all of their effort to drag me onto the deck where I slumped like a beached whale.

BACKPACKER Gear 360 Review When it comes to bear safety, distance is everything—always keep at least 100 yards away if you can. But sometimes you can do everything right and still round a turn in the trail and come face to face with a bruin; in that case, you'll want a bear spray that acts as a quick and effective deterrent.

A backpacking tent for two hikers who don't mind getting cozy, the Nemo Hornet 2 is a backpacking tent that is a half-pound lighter than our overall pick, the Big Agnes. At 2 lbs 6 oz packed—1 lb 3 oz per person—it is the second lightest tent we considered after the HV UL 2.

The Best Backpacking Tents for 2020 — Treeline Review

The two-person model weighs in at 3 pounds 8 ounces, which puts it in the midweight category of backpacking tents. It's certainly very light to carry but not ultralight by any means.
