The Great Emergence | The Works of Phyllis Tickle

In a stunning summary she writes, "If in pursuing this line of exegesis, the Great Emergence really does what most of its observers think it will, it will rewrite Christian theology—and thereby North American culture—into something far more Jewish, more paradoxical, more narrative, and more mystical than anything the Church has had for the last seventeen or eighteen hundred years" (p ...

The Great Emergence: How Christianity Is Changing and Why ...

THE GREAT EMERGENCE: How Christianity and Why. By Phyllis Tickle. Grand Rapids: BakerBooks, 2008. 172 pp. It should come as no surprise to anyone paying attention to the world, or the church that inhabits that world, that things are changing. Indeed, things in both the world and the church are changing at an astonishing speed.

The Great Emergence -- Review

The Great Emergence, published in 2008, lays an illuminating historical framework to what we now are calling emerging Christianity. Why is this book so influential on this topic? We like stories that connect the dots and show how the past correlates to the present, providing directions of where the future may go.
