The South American Table The

A sprawling continent comprising many different climates, cultures, and culinary traditions, South America remains the most obscure part of the globe for North American cooks. Thanks in part to *The South American Table*, by Maria Baez Kijac, South American food promises to become much more a part of the culinary landscape for North Americans. Kijac reminds readers just how many commonplace food products originated in South America: chocolate, corn, potatoes, tomatoes, hot peppers, and ...
