Teaching & Learning Resources Educational researchers agree that a “guaranteed and viable curriculum” is closely associated with strong student achievement. In WCS,

Access Free Third Grade Science Pacing Guide

all schools share a scope and sequence for each grade level and course. Simply put, the scope describes what students will learn—the content and skills to be taught in the classroom. The sequence

is a document that informs parents and students of the recommended pacing and content standards for selected courses. It includes the topics to be taught week by week each quarter and a list of instructional resources. The YAG is only a recommended pacing guide; school leaders and teachers make the final decision regarding the pacing of any program of study.
