Customer Service Training Manual. Consistent and thorough customer service training is essential—even when customers already seem satisfied. LinkedIn reports that only 4 percent of disappointed customers complain to staff members, but nine out of 10 never return. Internal customer service training must be standardized to avoid serious discrepancies that result in customer churn.

FREE Customer Service Training Manual Template

Most customer service is defined by how a company or organization treats "external customers," but there is "internal customer service" as well. While this manual mainly addresses "external customers," expanding your definition of customer service to include co-workers will lead toward even greater success.
