I am a self-proclaimed lover of books, especially those that have a capacity to speak across generations. So, it was with great appreciation that moments ago I closed the cover on this wonderful little work. J.B. Phillips wrote Your God Is Too Small in 1952 yet it remains imminently quotable for those grappling with 21st century objections to faith. His adept way of addressing the closed universe of modern thinking is striking for a number of reasons.

Your God Is Too Small is the title of the book written by J.B. Phillips, and in some ways, the expression reflects the problems that lay behind the plaintive cry of abandonment felt by Judah's exiles during the sixth century BC. Perhaps they thought that their circumstances were too complicated for God to unravel and fix.

Your God is Too Small 2 by no means always unintelligent, naive, or immature. Many of them hold a faith in God that has been both purged and developed by the strains and perplexities of modern times, as well as by a small but by no means negligible direct experience of God Himself. They have seen enough to know that God is

A. Secondly, your God is too small if you are worried about the future, and what it may hold for you. One of the biggest concerns every month is making ends meet. You know, you've got to pay all the bills, and buy groceries, and buy gas, and then hope that there's enough left over for any unforeseen expenses. And what about health?

God is Greater than you can imagine. Almost all of our spiritual problems - things like doubt, apathy, unhappiness, or insecurity - come from a view of God that is too small. Job had thoughts of God's limits. Thirty-seven chapters have gone by and God has said nothing. Chapter 38 brings us to God speaking to Job in a storm. God asked Job 180 ...
